

## CW COMMITTEES MISSION STATEMENTS

### Education Committee:

Provide support and encourage educational achievement for Los Angeles County females. *women*

### Health Committee:

The goal is to review the health situation in LA County as it relates to the women who live here and assess access to care in light of the Affordable Care Act, the reorganization of the LA County Health Services, and the opening of MLK Hospital.

### Luncheon Committee:

**Provide recognition, visibility and opportunity for women who make a difference in the Los Angeles County community by their volunteer work.** Through this event the CW provides the main venue to raise funds for scholarship for girls who are in great need of funds to continue their college or university level education. The Luncheon also brings together many LACO leaders and presents to those in attendance the work of the CW. Thus serving to **recognize worthy women, raise funds for the Commission's work and provide visibility for the work of the commission.**

### Policy and Legislation Committee:

- To advance the well-being of women and girls in Los Angeles County through policy analysis and advocacy.
- To support and advocate for Board of Supervisors' initiatives advancing the well-being of women and girls in Los Angeles County.
- To spearhead research into best practices in gender policy and their applicability to Los Angeles County.

### Violence Against Women & Girls Committee:

Work to increase public awareness on issues related to Violence Against Women & Girls.

### **Public Relations and Social Media Committee**

#### Proposed Mission Statement

The goal of this Committee is to inform Los Angeles County residents of the work of the Los Angeles County Commission for Women. This Committee is charged with developing and implementing communications strategies to support the LACCW's work. The intersection of Public Relations and Social Media will enhance public awareness, facilitate collaboration with public and private sector partners and increase community involvement as a core goal of our outreach activities.
